

## Coronavirus (COVID-19) Update

As the Coronavirus (COVID-19) situation continues to develop, we wanted to take a moment to let you know what to expect when visiting your neighborhood store in the coming weeks, as well as reiterate our commitment to the communities we serve.

CenterPlace Market as always taken great pride in the products we offer and the store atmospheres we create and remain committed to maintaining the highest standards for our customers and employees during these extraordinary times.

Our staff is monitoring the situation as it develops, seeking feedback from community health and safety experts and following guidance from the local authorities. Because of those discussions:

- Employees are asked to wash their hands frequently and utilize alcohol – based sanitizer to supplement hand cleanliness.
- We have enhanced our cleaning and sanitation protocols.
- We have hand sanitizer stations available for use by shoppers, including disinfecting wipes for our shopping carts. \*while they are available
- We fully expect some product outages as the supply chain is tested but remain committed to doing everything we can to meet the needs of our customers.
- We will not be running printed or digital ads for the upcoming weeks. We cannot guarantee products will be available to customers as advertised.

These are unprecedented times, but our entire team wants you to know that we remain focused and committed to providing for your needs. We appreciate the trust that has been placed in us and are committed to providing the safest and most sanitary environment possible.
